About WISC

Options to Meet Your Liquid & Mid-Term Investment Needs

The Wisconsin Investment Series Cooperative (WISC or “the Fund”) is an investment opportunity open to Wisconsin public entities including school districts, municipalities, counties and technical colleges. WISC is governed by a commission of representatives from participating entities that has the full power, control and authority over the affairs, investments and assets of the pools. The Fund was created in 1988 by school district officials interested in investments that strive to maintain safety and liquidity while preserving capital. Through the Intergovernmental Cooperation Agreement, WISC provides a vehicle for investment in U.S. government obligations, agencies, commercial paper and other high quality short-term instruments. The combined purchasing power of many public entities contributes to attractive interest rates for public fund participants.

The Multi-Class Series

The Multi-Class Series invests in money market instruments having a maximum remaining maturity of one year. It has earned an AAAm rating from Standard & Poor’s (“S&P”). The Multi-Class Series consists of two classes of shares: the Cash Management (CMS) and the Investment (IS) Class. CMS offers check writing privileges and banking services through US Bank NA. The Investment Class offers potentially higher yields with no minimum balance requirements.

Limited Term Duration Series

The Limited Term Duration Series (LTD) seeks to provide participants with the ability to earn a higher yield than WISC Multi Class investments with limited additional risk. WISC LTD invests in high quality fixed income investments with short term maturities around one year that are compliant with Wisconsin State
